1. We have audited the accompanying Statement of consolidated financial results of The Hi-Tech Gears Limited ("the Holding Company"), formerly known as Hi-Tech Gears Limited and its subsidiary companies (the Holding Company and its subsidiaries together referred to as "the Group") for the year ended March 31, 2017 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended). Our responsibility is to express an opinion on the statement based on our audit of such consolidated financial statements.
2. We conducted our audit in accordance with the standards on auditing issued by the Institute of Chartered Accountants of India. Those standards require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Holding Company's preparation and fair presentation of the Statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Holding Company's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and reasonableness of the accounting estimates made by the management, as well as evaluating the overall presentation of the Statement.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion.
